Technical drawing of a rectangular structure, likely a cross-section of a component. The drawing shows a central rectangular area with internal features, surrounded by a border. Dimensions are indicated: a total width of 1248.8, a total height of 270, and an internal height of 245. A small dimension of 80 is shown on the right side. Labels A and B are positioned above the central area, and A' and B' are positioned below it, indicating specific points or features. Dashed lines extend from the bottom of the central area, suggesting a continuation or a specific profile.
